ROTI SEVA

On the first day of this noble endeavor, 380 roties along with pickle packets brought by the children (COD money - we collect 10 Rupees per student per month) we distributed two roties to the needy near Gandhi General Hospital. By providing 2 Roti per person, we ensured that the needy received a sufficient and nourishing meal. If needed, we plan to increase it to 3 Roti per person depending on the size. It's truly inspiring to see all our school children's dedication and teamwork in making this initiative begin and we thank our mothers for being an integral part of the Roti Seva.

TEACHERS DAY

Teachers' Day is a special occasion to honor and appreciate the dedication of educators who play a pivotal role in shaping the future of the students. It's a day to express gratitude for their tireless efforts, patience, and commitment to imparting knowledge.
