**ANNUAL
PICNIC
DINOSAUR
THEME PARK**

Memories of school picnics are among the most prominent as they are a welcome break from the routine for both students and teachers. Students of classes I to VIII have been on an excursion to ‘Dinosaur Theme Park’ – India’s first animatronics dinosaur theme park near Ramoji Film City on 7th December 2019 along with 26 teachers and 6 attenders. Students were bustling with energy as they reached the venue by 11.00 a.m.

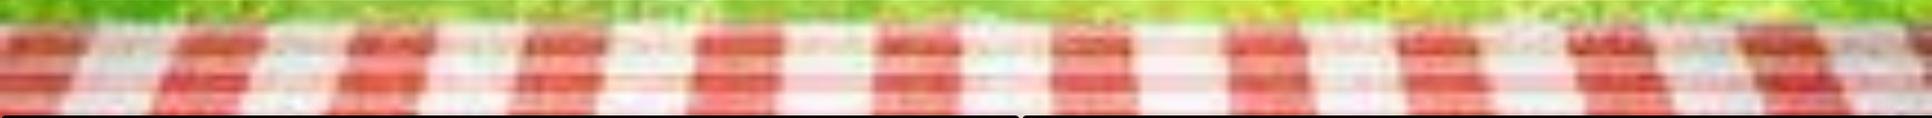

“All
work no
fun makes
Jack a dull
boy”

After reaching, they were served with the welcome drink. Students were delighted to see several life-size models of dinosaurs being displayed in the open air with dinosaur sound effects. There were few games and rides on mechanical dinosaurs which kids enjoyed thoroughly during pre-lunch time. In the post-lunch there was music and dance and

spectacular magic show by Mr. Ram Kumar, a well-known actor cum magician. This brought smiles to their faces. The enthusiasm of the teachers was no less. At the end of the day, students and teachers relished delicious ice-cream again provided by the theme park. They all reached school by 6.30 p.m. Indeed, it was a great day for all the students and teachers.

HAPPY NEW YEAR !!! 2020

MERRY CHRISTMAS

On 2nd of January, our school celebrated both Christmas and New year together. It meant double fun for us. This fun became more vibrant as being Thursday, so the celebrations started with few soulful bhajans in the glory of our Beloved Swami and that was followed by Harathi.

The students decorated the Christmas Tree and the Principal wished the teachers and students Merry Christmas and extended her wishes for the New Year. In her New Year message, she included an anecdote about how to learn to give rather than to take.

happy

Further, the Vice-Principal also conveyed Merry Christmas and warm New Year wishes to all the teachers and the students. Class IX girls presented an informative approach of analyzing English alphabet. That was just splendid work by them. Next, these girls sang Christmas Carols. Again, they nailed it! At the end of the program, New Year gifts were given to the teachers and the students through 'Lucky Dip'. Everyone enjoyed the celebrations very much. Indeed, both the events were memorable.

CULTURAL WEEK

The colourful Cultural Week was held after Sankranti Holidays to enhance the hidden talents and confidence in the students. As a part of Cultural Week Mono-action and Group Singing competitions were organized for classes VI to IX on 17th January and III to V classes on 20th January 2020. All the participants were well dressed and prepared as per their role. The students enacted as Jhansi Laxmi Bai, Rudramma Devi, Alluri Sitaramaraju, Peasant, etc and conveyed valuable messages. Indeed the Cultural Week was a unique one and the students participated in an exceptional way.

The 71st Republic Day was celebrated in the School Campus with great nationalistic spirit. The event was anchored by Sathya House Teacher Mrs. Deepa in a commendable way. The Principal, Vice Principal and one of the senior teachers Mrs. Jayashree hoisted our National Flag. This was followed by the spectacular March Past by students of Classes VI to X. Miss A. Srimedha of II std gave a wonderful speech stating the importance of Republic Day. Mrs. Jayashree also came out with a thought provoking speech stressing on the idea that every Citizen should serve our Motherland. Patriotic songs sung in Kannada and Telugu was the highlight of the program. The program concluded with Harathi to Swami.

“QUOTABLE QUOTES “

- God places the heaviest burden on those who can carry its weight.
- Be the change you want to see in this world.
- Love is the only force capable of transforming an enemy into a friend.
- God puts something good and something lovable in every person he creates.
- It is greed to do all the talking but, not to want to listen at all.
- Be faithful in small things because it is in them that your strength lies.
- Beauty is not in the face; beauty is a light in the heart.
- Successful leaders have the courage to take action while others hesitate.
- The mind is not a vessel to be filled but a fire to be kindled.
- Happiness is when what you think, what you say, and what you do are in harmony.

DO NOT JUDGE A BOOK BY ITS COVER

JUDGE OTHERS BY THEIR CHARACTER AND INNER QUALITIES MORE, RATHER THAN OUTWARD APPEARANCES.

A lady and her husband dressed in ordinary clothes stepped off the train in Boston and walked timidly without an appointment into the Harvard University President's outer office. The secretary could tell in a moment that such country people had no business at Harvard University. "We want to see the President," the man said softly. "He will be busy all day," the secretary snapped. "We will wait," the lady replied.

For hours, secretary ignored them, hoping that the couple would finally be discouraged and leave. They did not and secretary grew frustrated and finally decided to disturb the President. "May be if you see them for a few minutes, they will leave," she said to him. He sighed in exasperation and nodded. The President, stern faced and with dignity, strutted towards the couple. The lady told him, "We had a son who attended this University. But about a year ago he was accidently killed. My husband and I would like to erect a memorial to him, somewhere in the campus." The President was not touched.....he was shocked.

"Madam," he said gruffly," we can't put a statue for every person who attended this University and died. If we did , this place would look like a cemetery.

"Oh no!" the lady said . He glanced at her their clothing and explained, "A building costs seven and a half million dollars at this University."

For a moment the lady was silent. The lady then said to her husband, "Is that all it costs to start a University? Why don't we start our own?" Her husband nodded.

The President's face turned white and the couple got up and went to California where they established their own, Stanford University, a memorial to a son.

George Crum: Inventor of Potato Chips

The potato chip was invented in 1853 by George Crum.

Crum was an American Chef at the Moon Lake Lodge resort in Saratoga Springs, New York, USA.

French fries were popular at the restaurant and one day a diner Complained that the fries were too thick. Although, Crum made a thinner batch, the customer was still unsatisfied. Crum finally made fries that were too thin to eat with a fork, hoping to annoy the extremely fussy customer. The customer, surprisingly enough, was happy – and potato chips were invented!!!

A FRIEND LIKE

YOU

Of all the things
With which I'm
Blessed,
A friend like you
Is one of the best.

Our friendship is
an important part,
of the things I
cherish
In my heart.

There isn't a way
That I can see,
To say how much
you mean to me.

The world would be
awesome.
It is true,
If more people had
A friend like you.

THE KITE

Flip, flap! Flip Flap!
Rises my kite,
Up and up in the sky,
That is so blue and bright,
Flip flap! Flip Flap!
Goes my Kite,
Sometimes to my left,
And sometimes to my right.
Flip, flap! Flip Flap!
Flies my Kite,
High and high above
It fills me with delight.

Laugh a While.....

Teacher: Sudhir, go to the map and find North America.

Sudhir: Here it is!

Teacher: Correct. Now, Anand, who discovered America?

Anand: Sudhir!

Roja: What a pair of strange socks you are wearing, one is green and one is blue with red spots!

Mercy: Yes, it's really strange. I've got another pair of the same at home.

Two ants want to fight an elephant.

The elephant replies: "Two on one? That's not fair!"

Father: "Name me five different animals, Johnny."

Johnny: "The dog, the dog's brother, the dog's sister, the dog's cousin and the dog's aunt."

GOLDEN WORDS OF BHAGAWAN FOR STUDENTS

“Each religion forgets that God is all forms and all names, all attributes and all assertions. The religion of humanity is the sum and substance of all these partial faiths; for there is only one religion and that is the religion of Love.”
